Dear

We're back home and settled into the routine once more after a marvelous vacation in the Islands. You got us off to a perfect start and we really did appreciate it.

Please thank  for her thoughtfulness also. We used her angel as our principal Christmas decoration and we used her marvelous map of Honolulu to keep us from getting lost amid the freeways when we came back to Oahu for a visit with Admiral Long.

I appreciate your nice words at the airport about my role with the Agency. It has been a challenging and rewarding four years with a wonderful organization and great group of people. I'll always be grateful to have had the opportunity.

Again, thanks and all the best for 1981.

Yours,

STANSFIELD TURNER
